

## Calm & Comfort™ from Secure a Pet RX™

### KEY BENEFITS

**Promotes Calm & Relaxation** – Helps manage stress from travel, vet visits, or environmental triggers.

**Supports Focus & Emotional Balance** – Aids concentration and helps reduce overexcitement or nervous behavior.

**Ideal for Fireworks, Storms & Separation** – Naturally eases fear-based reactions without sedation.

**Daily or As Needed** – Gentle enough for daily use or short-term calming support.

**Tastes Great!** – Soft chicken-flavored chews your dog will look forward to.

### Directions for Use

Adjust amount as needed for age and activity level.

Use at the rate of 1 soft chew per 25 lbs. Body weight daily

>25 lbs. ....1/2  
- 1 soft chew daily

25 - 50 lbs. ....1 -  
2 soft chews daily

<50 lbs. ....2 -  
3 soft chews daily

### A Calm Companion is a Happy One

Help your dog find their inner peace — naturally.

**Calm & Comfort™** is specially formulated to help manage stress, nervousness, and hyperactivity caused by everyday challenges such as thunderstorms, travel, or separation.

Each soft chew combines **Taurine, Inositol, Theanine, Thiamine, and Lemon Balm** to promote a calm, relaxed mood without drowsiness — helping your pet stay balanced, happy, and focused.

**Calm & Comfort™** blends proven natural ingredients that support relaxation and emotional balance in dogs of all sizes.

- ✱ **Taurine & Thiamine** promote healthy nervous system function and focus.
- ✱ **Lemon Balm & Theanine** soothe anxiety and restlessness naturally.
- ✱ **Inositol** helps stabilize mood and ease stress responses.

This safe, non-sedating formula is ideal for anxious, excitable, or easily stressed dogs — offering peace of mind for both pet and parent.
