

## Mobility+™ from Secure a Pet RX™

### KEY BENEFITS

**Supports Joint Structure & Flexibility** – Helps maintain cartilage and connective tissue for smooth, easy movement.

**Encourages Mobility & Comfort** – Reduces stiffness from age or activity and promotes healthy flexibility.

**Natural Anti-Inflammatory Action** – Turmeric and Boswellia aid in reducing inflammation and joint discomfort.

**Promotes Collagen Production** – Collagen and Egg Shell Membrane support strength and elasticity in joints.

**Ideal for Aging & Active Dogs** – Daily use supports long-term mobility, comfort, and quality of life.

### Directions for Use

Adjust amount as needed for age and activity level.

Use at the rate of 1 soft chew per 25 lbs. Body weight daily

>25 lbs. ....1/2  
- 1 soft chew daily

25 - 50 lbs. ....1 -  
2 soft chews daily

<50 lbs. ....2 -  
3 soft chews daily

### Your Companion's Key to Mobility and Comfort

**Mobility+™** is a powerful joint support formula designed to promote comfort, flexibility, and long-term mobility in dogs of all sizes and activity levels. Each soft chew combines **Glucosamine, Chondroitin, MSM, Turmeric, Boswellia, and Collagen** — proven ingredients that help cushion joints, support connective tissue, and ease stiffness caused by aging or exercise.

**Mobility+™** provides advanced, multi-action support for your dog's joints and connective tissues.

Formulated with **veterinarian-recommended ingredients**, this blend helps reduce inflammation, maintain cartilage integrity, and support healthy joint lubrication. Whether your dog is an energetic athlete or entering their senior years, **Mobility+™** helps them stay active, comfortable, and full of life.

### WHY PET PARENTS LOVE IT

Because every step matters.

**Mobility+™** helps restore freedom of movement and comfort for dogs of all ages — keeping tails wagging, joints strong, and adventures ongoing. From playtime to long walks, this natural joint support formula keeps your companion doing what they love, pain-free.
