

## Puppy Start™ from Secure a Pet RX™

### KEY BENEFITS

**Brainpower** - Essential vitamins and minerals, like L-Arginine and Taurine, support healthy brain development and enhance cognitive function, promoting learning and focus.

**Immune Shield** - Powerful superfoods like Reishi and Shiitake mushrooms, combined with Vitamin E and Krill Meal, work together to strengthen your puppy's immune system, keeping them healthy and playful.

**Happy Tummies** - Probiotics and prebiotics nurture a thriving gut microbiome, aiding digestion, nutrient absorption, and overall well-being.

**Complete Absorption** - Our innovative powdered formula ensures maximum nutrient absorption, guaranteeing your puppy benefits from every ingredient.

**Deliciously Beefy** - Infused with real beef liver for an irresistible taste, making supplementation a treat your dog will love.

### A Great Start in Life for Your Furry Friend

Our comprehensive formula is divided into four critical complexes—Skin, Digestive, Cognitive, and Immunity—each tailored to address the fundamental aspects of your puppy's health. With **Puppy Start™ from Secure a Pet RX™**, you are not merely feeding them; you are nurturing their potential for:

- ✱ Enhanced Immunity and resilience against health threats.
- ✱ Optimal digestion for maximum nutrient absorption and gut health.
- ✱ Cognitive development for a sharp, focused, and intelligent companion.
- ✱ Strong, healthy bones and muscle growth to support an active, energetic life.
- ✱ Lustrous skin and coat health, showcasing their natural beauty both inside and out.

**Puppy Start™** promises not only growth but a harmonious balance of high energy, nutrient richness, and balanced vitamin intake. It is more than just a supplement; it is a comprehensive health boost that establishes the foundation for a lifetime of well-being. Choose **Puppy Start™ from Secure a Pet RX™** and witness your puppy thrive under the care of trusted experts, paving the way for a healthy, joyful future.
