Daily Wellness Support Through Every Season

Every dog deserves to feel their best throughout the year. **Canine Power™** provides nutritional support for normal immune function, skin health, digestion, and overall wellness during changing seasons and everyday environmental exposure. Its thoughtfully selected ingredients include quercetin, turmeric, ashwagandha, colostrum, pre- and postbiotics, probiotics, and pancrelipase.

Canine Power™ combines antioxidant, digestive, and immune-supporting ingredients as part of your dog's daily wellness routine. Each chew features:

- ✱ **Quercetin + Turmeric** – provide antioxidant support and help support normal immune function.
- ✱ **Ashwagandha** – supports everyday wellness and normal immune function.
- ✱ **Colostrum** – provides naturally occurring nutrients that support normal immune function.
- ✱ **Pre- & Postbiotics + Probiotics – Arabinogalactan (prebiotic fiber)**, a targeted **postbiotic**, and live cultures (*L. casei*, *L. fermentum*) support healthy digestion and a balanced intestinal environment.
- ✱ **Pancrelipase** – provides digestive enzyme support for normal digestion.
