

Pawsome Healing & Protect™ from Secure a Pet RX™

KEY BENEFITS

Protective Moisture Barrier - Beeswax, Coconut Oil, and Shea Butter help form a moisturizing barrier that supports and protects dry paws and skin from everyday environmental exposure.

Moisturizing Care - Sunflower Oil and Vitamin E Sunflower Oil and Vitamin E help moisturize and condition dry paws, nose, and skin.

Botanical Ingredients - Chamomile, Cajeput, and Rosemary oils complement the balm's moisturizing and conditioning formula.

Soothing Skin Care - Our gentle formula helps moisturize and condition dry, rough skin and paws for everyday comfort.

All-Weather Protection - Designed for year-round paw care during hot weather, cold weather, and everyday outdoor activities.

Helping Your Furry Friend Enjoy Every Season

Secure a Pet RX™'s Pawsome Healing & Protect™ is a moisturizing balm designed for everyday care of your pet's paws, nose, and skin. Its thoughtfully selected ingredients help moisturize, condition, and support areas exposed to dry air, changing weather, and everyday outdoor activity. That is the world Pawsome Healing & Protect™ promises.

A unique balm was developed by veterinary experts specifically for the renowned **Iditarod Trail Sled Dog Race in Alaska, USA**, held annually in March. The grueling conditions and sub-zero temperatures over **1,500 kilometers necessitated** a solution to ensure the health of their beloved companions.

Pawsome Healing & Protect™ is crafted with a blend of beeswax, plant oils, and moisturizing ingredients, Pawsome Healing & Protect™ helps condition dry areas and provides a protective moisture barrier for everyday paw, nose, and skin care..

Pawsome Healing & Protect™ Ideal for pets that spend time indoors or outdoors, Pawsome Healing & Protect™ can be used as part of a regular grooming and wellness routine to help maintain moisturized paws, nose, and skin.

Directions for Use

Adjust amount as needed:

Apply on paws and nose regularly.

Apply on skin "hot" spots as needed.

Cautions:

For external use only. Avoid contact with eyes. Discontinue use if irritation occurs. Consult your veterinarian if you have concerns about your pet's skin or paws.
